PARKING OPTIONS MORNING OF THE MR340 RACE - TUESDAY, JULY 8, 2025

We **strongly** suggest the use of the Riverfront Heritage Trail to access the park from all outside parking locations. The trail is outlined in orange and is accessible from the corner of 4th and Armstrong. Parking Lot 4 has the most available parking.

1. **KAW POINT PARK** - There is limited parking at the park. Once the lot is full (likely before 6AM) volunteers will direct you back to Fairfax Trafficway.
2. **SMALL LOT BELOW OVERPASS** - Accessible from Armstrong Ave.
3. **LIMITED STREET PARKING ON ARMSTRONG AND 5TH ST** - See Map for location
4. **CITY LOT # 4 (east of United Way Building)** - Accessible from Minnesota Avenue off ramp or State Ave and 4th St.
5. **PARKING SOUTH OF HILTON GARDEN INN** - West of 5th Street, between Armstrong and Minnesota Ave.
6. **STATE AVE. GARAGE** - ONLY FOR GUESTS OF HILTON GARDEN INN.

To avoid waiting in line to then be redirected from Kaw Point Park when lot is full, we suggest parking in other locations and walking to the park using the Riverfront Heritage Trail.

There will be no drop off only spots available at Kaw Point Park once the park is full at or before 6AM. **We suggest racers drop boats off at race check in on Monday**. Objects left overnight at Kaw Point Park will be at your own risk but there will be overnight security throughout the park watching over boats in addition to the park being closed to the public at 10PM.

Available Parking **Riverfront Heritage Trail** **Vehicle Entrance/Exit to Kaw Point Park**
