Food: City of Miami- *Tuesday July 28 evening to Wednesday July 29 morning* - Ham/cheeseburgers, hotdogs, brats, snacks: chips drinks: soda, water, iced tea, bagged ice. Changes over to breakfast starting about 3 am: pancakes, sausage, coffee, OJ
Amenities: Pit Toilets & portable Toilets on site
Comments: NOT a lot of parking, gets very congested late Tuesday night until morning.

Dalton Bottoms Access - RM 239.1 Left - UNSUPPORTED

Ramp Approach: Points downstream; Rocky bank available for landing; No lights, easy to miss at night. We do plan to have a safety boat light a fire here.
Amenities: N/A
Food: Brunswick and Keytesville are small towns on the way/nearby with gas stations
Comments: This location is growing in popularity as a quieter place to sleep than Miami or Glasgow.

Glasgow/Stump Island - RM 226.1 Left - CHECKPOINT 3

Open: Tues. 9PM | **Close: Wed. 4PM**
Ramp Approach: Points downstream
Food: Fresh on the Go *Tues night through Wed late afternoon* Breakfast Burritos, Cinnamon Rolls, Gyro, Quesadilla, Hummus Veggie Wrap, Chicken Bacon Wrap, Mexican Street Corn in a cup, Frozen dipped chocolate banana, Italian Ice, Bottled Drinks, hand-crafted lemonade, fruit-infused Iced Tea.

Comments: large recreational park, a lot of space and some RV campsites. Currently detour into the park (2026)

Franklin Island - RM 195.2 Left - PADDLESTOP

Cut off time Reaper Pace: Thurs. 7AM
Ramp Approach: pointed slightly downstream, swift water off of dike upstream of ramp, often an eddy downstream of ramp
Food: sandwiches and drinks provided by local volunteers, purchased by The Nature Conservancy of Missouri.
Amenities: Rental toilets on site, Casey's gas station in New Franklin (on the way) and Snoddy's Store (grocery) on the right after crossing bridge from Boonville. Gas stations and restaurants available in Boonville across 40 bridge
Comments: This is the halfway point of the race. Racers are often very tired and exhausted coming into this ramp because it is the longest stretch (Glasgow to Franklin) between ramps and during the heat of the day. Not a lot of shade at this location.

Huntsdale Access (Former Katfish Katy's Access) - RM 179.6 - Left – SUPPORTED

Ramp Approach: ramp points slightly downstream. Tucked back into the bank. It is difficult to see at night but should have a flag and flasher.
Amenities: Rental toilets on site.
Food: Snacks provided by The Nature Conservancy of Missouri
Comments: The Station House Restaurant is no longer open. This location is a quieter stop in mid-MO. Not much shade at this location.

Cooper's Landing Marina - RM 170.2 Left - PADDLESTOP

Cut off time Reaper Pace: Thurs. 12PM
Ramp Approach: Dike structure aimed slightly downstream just before boat ramp. Must pass then turn upstream into eddy to paddle to ramp. Dock downstream of ramp may have motorboats tied up to it
Amenities: Portable toilets, water, store with drinks, ice, and snacks
Food:
Cooper's Landing Store: *open all night Wednesday*
Mr. Murphy Food Truck: *Wednesday afternoon/evening* loaded potatoes, amazing salads
El Moe Food Truck: *5 a.m.Thursday morning* breakfast burritos
Comments: Parking is pretty difficult during peak times

Jefferson City – Wilson's Serenity Point at Noren Access - RM 144 Left - CHECKPOINT 4

Open: Wed. 5AM | **Close: Thurs. 4PM**
Ramp Approach: Points downstream. There is a shallow dike just upstream of ramp. Many people land on sandbar to the right (downstream) of ramp. Ramp is just upstream of bridge.
Amenities: Pit toilets near parking and portable toilets on site
Food: Boy Scout Troop 10 *Wednesday 11am through Thurs 4pm* Cheese/hamburgers, Sausage Egg Biscuit, Biscuit and Gravy, Breakfast Burrito, dill pickles, chips, bananas, soda, Rocket Fuel coffee, energy drinks, iced tea, water.
Missouri American Water - water tent
Comments: The highway bridge can get a bit noisy

Chamois- RM 117.9 Right - Chamois Access – Limited Support

Ramp Approach: Trailing (parallel) dike upstream stretches almost in front of the ramp, so turn in at the last minute after dike. Hard for paddlers to see ramp until past dike.
Amenities: Bathrooms and showers at pavilion a short walk from ramp. Small campground first come first served by ramp.
Food: Restaurant in town. No ramp food vendor.
Comments: Bright lights make it hard to see the ramp. The location of this ramp is "out of the way" for a lot of ground crews.

Hermann Riverfront Park - RM 97.7 River Right- CHECKPOINT 5

Open: Wed. 10AM | **Close: Fri. 8AM**
Ramp Approach: 2 boat ramps - first ramp points upstream, second ramp perpendicular to the river.
**First (upstream) ramp preferred for paddle access landing by race organizers. Dike structure/walkway protrudes into the river between ramps. Rocky bank downstream of both ramps
Amenities: full restroom, park with large pavilion
Food: Appetize Charcuterie : *Wednesday, July 29 to Friday, July 31 with break Thursday afternoon* - various meats, cheeses, snacks | Trail Boss BBQ Thursday from noon – 7PM.
Also, lots of restaurants in town during business hours
Comments: train runs right next to park

New Haven Boat Ramp - RM 81.4 River Right - PADDLESTOP

Reaper Pace: Fri. 11AM
Ramp Approach: Points slightly downstream
Dike with wood pilings protrudes into the river upstream side of the ramp. Paddle wide around dike then turn up into eddy to paddle into ramp.
Amenities: flush bathrooms a short walk from the ramp. Bathroom and showers are available at Lion's Club across Paddle Stop Brewery.
Food: Restaurants and shops in downtown and along Hwy 100.
Comments: Dike above ramp extends pretty far into the river. Difficult for paddlers to see at night

Washington City Access - RM 68.3 River Right - PADDLESTOP

Cut off time Reaper Pace: Fri. 1:30PM
Ramp Approach: Wide boat ramp points upstream making it difficult to land at some river levels. If river is low, there will be a long trailing (parallel) dike upstream of ramp. If you can duck behind that at the upper end it's easier to land on the ramp.
Amenities: Full restrooms by pavilion, Large pavilion with water fountains
Food: restaurants in town; (WashMO on the GO closed this week – 2026)
Comments: Judy Feltmann has a shared AirB&B for anyone in need one block up.

Klondike Park Boat Ramp - RM 56.3 River Left - CHECKPOINT 6

Open: Wed. 2PM | **Close: Fri. 4PM**
Ramp Approach: points downstream. In between the Miss Agusta yacht and the large public dock
Amenities: Pit toilets, large parking space
Food: Hamburgers, hot dogs, ham/turkey and cheese sandwiches, coffee and snacks and drinks provided by The Nature Conservancy of Missouri and local volunteers. Food prepared by local volunteers – Bonnie Marquart & Crew.
Comments: use caution at night to clear the dock downstream of ramp

Lewis & Clark Boat House Ramp (Bishop's Landing) - RM 28.8 – River Left - FINISH LINE!

Open: Wed. 5PM | **Close: Fri. 9PM**
Ramp Approach: points perpendicular to the river. Just downstream of Boat House & Museum structure.
Amenities: Portable toilets available, Plenty parking, single shower in lower floor of Boat House
Food: *Thursday July 30 & Friday July 31 11am to 7pm* - tacos, drinks (hard and soft) and a larger menu. Also, plenty of restaurants in downtown St. Charles.

Additional unsupported ramps include:

- Taylor's Landing Access – River right
- Hartsburg Access – River left
- Marion Access Area Ramp – River right
- Mokane Access – River left
- Portland Access – River left
- Weldon Spring Boat Launch – River left
